LuxFLAG Label

Environment

Launched in July 2011, the LuxFLAG Environment Label helps to unlock capital from institutional and private investors, in order to support the financing of environment related assets

### Objective

The primary objective of the LuxFLAG Environment Label is to reassure investors that the investment product actually primarily invests their assets in environment-related sectors in a responsible manner. The eligibility criteria for the Environment Label require eligible funds to have a portfolio of investments in environment-related sectors corresponding to at least 75% of the fund’s total assets.

### Eligibility Criteria

Portfolio	Minimum 75% in environmental sectors
SFDR	Article 8 or 9
Exclusionary policy	Mandatory
ESG integration into investment process	Mandatory
