About LuxFLAG
LuxFLAG, the Luxembourg Finance Labelling Agency, is an independent and international, non-profit labelling agency which was founded in Luxembourg by seven public and private partners in July 2006. LuxFLAG aims to contribute to sustainable development and promotes transparency by awarding a recognizable label to financial products. At present, LuxFLAG offers six different labels which can be broadly classified into two different categories namely Positive Impact Labels (Microfinance, Climate Finance, Environment, Green Bonds) and Sustainable Transition Labels (ESG and LSIP). Please visit our website www.luxflag.org for more detailed information on LuxFLAG’s labels, the application process and criteria.

*In January 2020, LuxFLAG became the first sustainable finance labelling agency in Europe to obtain the ISAE 3000 Type II certification (International Standard on Assurance Engagement) for its system of internal controls for label issuance services to Sustainable Finance vehicles.
